

David Horgan

(LONDON BASED ARTIST)

How would you describe your art in few words?

RAW, EMOTIVE, COLOURFUL AND HUMOROUS

Which Artists inspire you the most?

HENRY TAYLOR, BASQUIATE, MATISSE, DANNY FOX, CHEGAL, GAUGUIN

What kind of atmosphere does your studio have?

(Light, sound, smell) Tell me please a bit more about it..And are you listening to some specific music whilst you paint? Do you have maybe any rituals ?

MY STUDIO IS CHAOTIC AND LIVELY... I OVERLOOK BRIXTON FROM MY STUDIO AND BELIEVE I CHANNEL SOME OF THAT ENERGY! I AM ALWAYS LISTENING TO MUSIC WHILST WORKING AND HAVE A VARIED PLAYLIST... FROM CLASSICAL TO PUNK... RECENTLY I'VE BEEN LISTENING TO VIAGRA BOYS, BAD NERVES, KING GIZZARD AND THE LIZARD WIZZARD AND AMYLL AND THE SNIFFERS.

I DON'T HAVE TOO MANY STRICT RITUALS BUT I LIKE TO PICK UP MY GUITAR TO GET ME IN THE MOOD AND THEN MAKE SOME LOOSE SKETCHES BEFORE WORKING ON A CANVAS.

What is your Inspiration for the amazing piece "you will find me in the club?"

RATHER APPROPRIATELY THIS PIECE IS ABOUT STRING FEMALE ENERGY WITH REFERENCES TO EARTH, FIRE, AIR AND WATER.

David what inspires you to paint women: Which role women play in your paintings?

I JUST PAINT WOMEN IN THE SAME WAY I PAINT MEN. I HAVE LOTS OF FEMALE FRIENDS AND AM LUCKY ENOUGH TO HAVE A LOT OF STRONG WOMEN IN MY LIFE WHICH LEADS TO ME DEPICTING THEM IN AN NATURAL WAY.

Do you have any other passions than painting? I heard you are a great musician?

THANK YOU! WHO TOLD YOU THAT? YES I AM MUSICIAN AND MY MAIN HOBBY IS PLAYING GUITAR AND SINGING... I ALSO LIKE TO GO TO THE BOXING GYM.
