
4 Days

Day 1 According to your request pick up at the airport or hotel

Overnight Kandy

Day 2 Kandy

Tooth Temple (Sri Dalada Maligawa)

In the Tooth Temple the upper left canine tooth of Buddha Siddharta Gautama is kept as a relic. The tooth keeps the spiritual power of Buddha. It symbolises good harvest and protects the land from drought. The tooth temple is considered to one of the most pilgrimage sites for Buddhists. In the early morning, late morning and in the evening the shrine with the tooth is opened in a ceremony and the pilgrims are allowed to take a brief look at it.

Cultural Dance Kandy

Traditional dances of the highlands are presented. A cross-section of the most important dances is shown at this event: dances for patron gods, temple dances, drum dances, mask dances and much more. At the end of the show a fire walk is presented.
