

Monthly letter 2024

Münster, 29.02.2024

Dear parents and guardians of the Hermann School,

Today you will receive the most important dates and information concerning the Hermann School for the month of March. But first a short review of the past month of February:

The planned children's parliament on Thursday, 08.02.2024 unfortunately had to be cancelled. This will be rescheduled for March.

On Friday, 09.02.2024 we celebrated carnival without a party. This was a great joy for all the children and staff at the school and a special day on which we were all able to experience a bit of "normality" in everyday school life together again.

The "social days" also took place in the various classes / learning groups. Here too, the feedback from both pupils and colleagues was consistently positive. In future, these "social days" will be organised at least every two years. As the response last school year was extremely positive, we have decided to organise them again this year.

The following dates are scheduled for March:

In the week from Monday, 11.03.2024 to Friday, 15.03.2024, the pre-reading competition for years 3 and 4 will take place for the first time. You will receive all relevant information

you will receive on time from the class teachers.

On Tuesday, 12 March 2024, a selection of pupils will take part in the primary school basketball championships. Mrs Wrobel and Mrs Hassing will prepare the children for this tournament and provide you as parents/guardians with the essential information. We will keep our fingers crossed for both of our teams.

The well-deserved Easter holidays start on Monday, 25.03.2024 and end on Friday, 05.04.2024.

On Monday, 08.04.2024 (first school day after the Easter holidays!!!) the 2nd internal teacher training (SchILF) will take place. The children of the Hermannschule are free of lessons on this day. If you need childcare for your child, you will receive a request from the OGS (Of-fene Ganztagschule), which you will then please return to us as soon as possible.

This means that lessons will start again on Tuesday, 09.04.2024, 8:00 am.

We wish you and your families a happy Easter.
