EXECUTIVE COACHING, WORKSHOPS & KEYNOTES

Leadership, Culture & Change

"Patrick's expertise impresses."

—Oliver Kaltner, CEO of Cherry SE and
former CEO of Leica AG

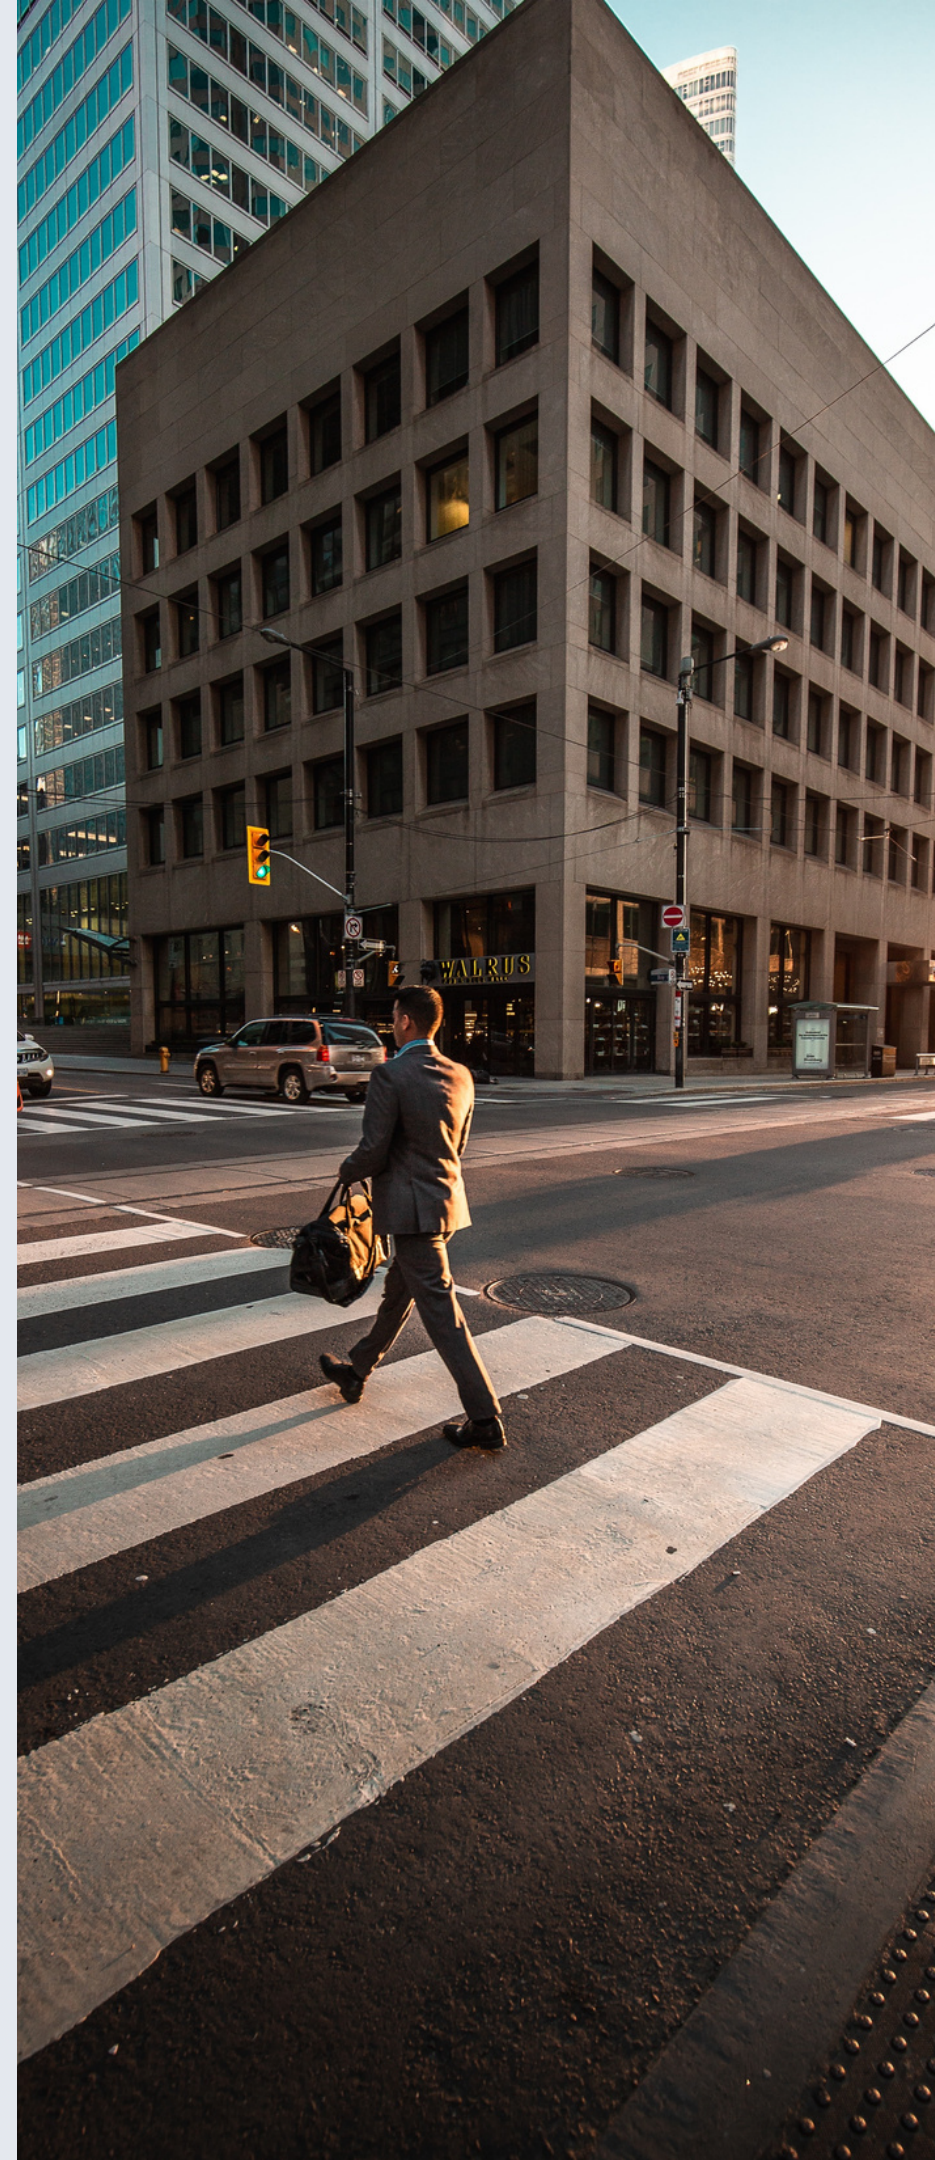

THE LEADERSHIP CHALLENGE

Most leaders feel unprepared

Effective leadership is essential for organizational success. However, a recent Korn Ferry study reveals that only 17% of leaders feel confident in addressing their leadership challenges ahead.

This is exactly where Patrick steps in. With his executive and team coaching, interactive workshops, and inspiring keynotes, he helps leaders to lead more effectively, build cohesive and thriving teams, turnaround dysfunctional organizations, and ignite business growth.

"I truly valued Patrick's mentorship and coaching as well as his fun approach to work."

—Maia Korradi, Omnes Capital

INTEGRATED LEADERSHIP MASTERY

A rare combination of firsthand leadership experience and years of expertise as a consultant, mentor, investor, and coach

Drawing on his diverse experience as a partner in renowned law firms, a senior executive at METRO Group, and a partner in a successful investment fund, Patrick empowers his coachees, clients, and audiences with the essential tools for navigating today's dynamic business landscape.

With his unique blend of hands-on experience and extensive work with leaders as their coach, consultant, mentor, and investor, Patrick's coaching, workshops, and keynotes are anchored in:

- Utilizing concrete scenarios from his own leadership journey
- Decades-long experience as a coach and mentor to executives
- Seamlessly integrating theory and practice
- Engaging and interactive sessions
- A consistently personalized approach.

"It's been a while since we discussed so openly and engagingly."

—Law firm partner in a team-building leadership workshop

COACHING APPROACH

A Rare Blend of Coaching, Consulting & Mentoring

Unlike traditional coaching, which focuses solely on asking guiding questions, or consulting that primarily dispenses advice, Patrick pioneers a distinct blend of coaching, consulting, and mentoring. If coaching is what you need, expect targeted questions that lead you to your own answers. If explicit guidance seems more beneficial, count on Patrick for pointed recommendations.

Ultimately, Patrick doesn't merely see himself as your coach or consultant. In his eyes, he serves as your trusted partner, fully committed to both your personal and professional growth.
