

Dear team, dear participants

Here is all information about the respective contests and all general information.

KCBS Teams Stand 6x6m. All teams will be instructed by us to their seats.

Cars that do not fit in the assigned place must please park them outside the premises.

Saturday & Sunday morning there is breakfast for all teams & judges from about 7:00 / 7:15 am. Times may vary.

Garbage containers and ash containers are placed on the site. We are very committed to a clean environment and we expect the same from the respective teams. There will also be a washing facility for the teams, where everyone can clean their grill equipment.

Registration obligation of each team at the Info Stand.

LEFTOVER

Teams have the opportunity to hand over everything left over from the "Turn In" to us. Boxes are distributed for this, and picked up after each "turn in". So the teams are not disturbed during the Turn In's and can continue grilling as usual.

Rest time:

The BBQ Festival consists of exhibitors, various grill shows, various programs around grilling, .. The site will be closed at 9:00 p.m., and the rest period starts from 10:00 p.m. until 7:00 a.m. This applies during the entire stay. That's why we ask you to turn off music boxes, speakers, etc.,... from 22:00 at the latest. Anyone who does not comply with this will be expelled from the premises and directly excluded from the contest!!!

Registrations are accepted by email at: europeanbarbecue@gmail.com
