ALESSANDRO DE STEFANO

Art Designer

Alessandro de Stefano Art Designer is particularly notable for its impeccable manufacturing processes.
In this way not only you will enjoy a good standard of production,
but also the timely delivery and complete product of the highest quality.

Walls

I create walls inside your home. I work on any surface.
I create my creations with the private client's inspiration
and adapt the colors and textured materials to the client's needs.
My passion and flair to your requests.

ALESSANDRO DE STEFANO

Art Designer

Each wall is custom-made according to the tastes and needs of the customer
and carries with it the uniqueness of the work itself.

All the walls are different and you wouldn't find two identical in the world.
Size, colors, Details and Structure will be agreed with the customer to create a truly unique work of art.
