OUR HISTORY

Rotary Frankston Sunrise was Chartered by Rotary International in December 1990 and celebrated its 32nd anniversary in January 2023.

It is part of Rotary District 9820 which covers the south eastern region of Melbourne, south through the Mornington Peninsula and east through the Gippsland region.

Since 1990, Rotary Frankston Sunrise has served many local and overseas communities. A selection of projects over the history of the Club include:

- building a house donated to Peter Mac
- refurbishing a house for the Schizophrenia Foundation
- tree and shrub planting in Beauty Park
- creation of mobility gardens at two rehabilitation hospitals
- fitting of planks to the Frankston Foreshore Boardwalk
- construction of three separate beach boxes on Frankston Beach which sold for a profit of well over \$300k with proceeds being used to support local community projects
- construction of school classrooms in Vanuatu
- support and donations of goods and services to countries including Nauru, Tonga, Sri Lanka, Ghana & Timor Leste

Our fundraising initiatives continue to support a diverse range of important local and international charities and projects.

A lot has been achieved in the past 32 years and our club continues to grow and thrive; who knows what the next 32 years and more may hold and the impact our members will have as they work together for the common good.

PRESIDENT'S REPORT

Our Club is in great shape and that is because of you, our membership – thank you!

Frankston Sunrise has come out the other side of Covid disruptions and is fired up and back doing what we do best:

- Hands-on projects like the renovation of the Artists' Residence at McClelland Gallery, refurbishing the mobility garden at St John of God and more
- Raising funds (with plenty of laughs along the way) with Treadmill Challenge, Charity Golf Day, Bunnings BBQs, Frankston Footy Bar & BBQ and, most importantly, putting those funds to work supporting wonderful organisations that benefit both our local and international communities.

Throughout the year, we have frequently been complimented by visitors and Rotarians from other clubs on the energy, enthusiasm, and programs we deliver – to quote one such person, "Frankston Sunrise gets sh!t done" – that's some pretty good praise.

Throughout this report, you'll discover more specifics on our achievements these past 12 months, but I would like to highlight a few points beyond those I have already mentioned.

Membership is the cornerstone of every Rotary Club and like all Rotary Clubs, we have had to face the challenges of membership attrition. This year, our membership stepped up and supported some significant new initiatives.

- We welcomed the overdue inclusion of women to our membership base and isn't the Club better for the change!

Kim Michod, Sonja Bottern and Karen Ward were inducted as new members and, at the time of writing, we have a further three women who are looking to join.

- Our corporate membership program will continue to evolve, with Ray White Frankston, GPK Group, St John of God and Southside Finance all on board and renewing for the year ahead – and all making outstanding contributions to the Club
- And we welcomed Dave Gibson and Col Barber during the year, although unfortunately Col subsequently had to resign his membership due to ill-health.

Our Interact Club at Frankston High School is a powerhouse and is held up by our district as a shining example of what Interact can be. The students do a great job, have boundless energy and speaking of boundless energy, our teacher coordinator Jon Christie goes above and beyond 7 days a week supporting the indefatigable efforts of our Interactors. Thanks also to my partners in crime, Dave Wilton and Kim Michod for their support, and to the Sunrise Rotarians who have joined us in working alongside and helping mentor the Interactors at various events.

And don't we look different! New uniforms, banners, new newsletters (internal and public), a new social media look and communications strategy! Kim has delivered up an exciting new look for Frankston Sunrise, raising our profile and we are getting noticed.

Looking forward, Frankston Sunrise is in a strong position. A special thank you to Peter Richards who has stepped up for a 2nd stint in the chair as Club President for 2023-24 with a plan for more of the same and a special focus on building the fellowship elements of our club – we can only keep delivering on our service goals with an active and engaged membership and that means making time for play as well as work!

And for what I believe is a first for Sunrise, our President-elect Nominee for the 2024-25 year is already in place as Dave Wilton will be looking to follow Pete into the chair. Reviewing our membership base, the years ahead are looking strong.

Finally, a huge thank you – to all our members, their partners, our sponsors and supporters – too many to name, but we can all be very proud of the difference our collective efforts have made. I for one am excited about the year ahead for Rotary Frankston Sunrise!

Peter Cracknell - President 2022-2023

COMMUNITY SERVICE

Impact starts with our members – people who see a world where individuals unite and take action to create lasting change – across the globe, in our communities, and in ourselves.

The cornerstone of Rotary is "Service Above Self" and nothing demonstrates this more than the acts of service Rotarians do within their community - and Frankston Sunrise embraces this ethos in everything we do.

This year, Rotary Frankston Sunrise has:

- handed over to Community Support Frankston, a refrigerated vehicle that will be used to transport meals to people in need, an incredible project put together in the prior year by former Sunrise Rotarian Ross Augustine
- completed multiple working bees at the Artists' Residence at McClelland Sculpture Park (pulled up the deck, ripped up the carpet, demolished the kitchen, painted the interior, and laid the new flooring)
- helped pack 300 Christmas food hampers
- supported our Interactors assembling kits
- donned the gloves and given our beautiful foreshore beach a spruce and some TLC as part of Clean Up Australia Day
- sizzled sausages at McClelland Gallery's Cultural Day event
- honoured to join forces with Tony Carter and other cluster Rotary Clubs to support the Frankston RSL Dawn Service and Gunfire Breakfast at Beauty Park
- revisited the mobility garden that we installed at St John of God back in 2008 and delivered a makeover/upgrade with new landscaping (vegetable garden still to be installed)

Warwick Smith (Director)

COMMUNITY SERVICE COMMITTEE:

Greg Sharman (Assistant Director)
Hank Brakele
Ben Coombs
Ron Jones
Keith Norris
Dave Platten

FINANCE & FUNDRAISING

Successful fundraising is all about connections and building lasting relationships with our community.

Bunnings BBQ

Bunnings BBQs have been coordinated and run by Dave Wilton this year who has done an exemplary job with all the numbers up on previous years.

Frankston VFL Footy BBQ

We were asked by Adrian 'Rocky' Lloyd (CEO Frankston Footy Club) to operate a sausage sizzle and sell drinks on the old grandstand side of the ground. So far we have manned five home games and the profits have been a mixed bag (approx \$700 per game); fellowship is the real benefit.

Annual Golf Day

The Golf Day was another fantastic success with nearly \$50K in profits. The committee and volunteers on the day did another amazing job.

McClelland Gallery Artists Retreat Residence

Although not part of Finance and Fundraising, I had the contact with the Builder (Phil McEvoy). This was a great project for the club with most members getting involved in some aspect of the refurbishment. An indigenous group working on local projects were the first artists to take up residence at the retreat.

St John of God Mobility Garden Refurbishment

The club had done the original garden and it was looking very tired, so our landscape architect developed a plan and Warwick and I coordinated the working bee which was a fantastic success. St John of God paid for all plants and materials.

Treadmill Challenge

This was a great effort by our club to raise funds to support various programs at Very Special Kids.

Shane Thomas - Director

FINANCE & FUNDRAISING COMMITTEE:

Golf Day Committee (Club members)
Treadmill Committee (Club members)
Bruce McGregor (Bunnings BBQ)
Gavin Saunders

MARKETING

This past year Frankston Sunrise made a concerted effort to lift its profile through a coordinated marketing effort via social media, and consolidate its 'brand' within both internal and external communications.

The following marketing initiatives have been implemented in the past 12 months:

- development of brand guidelines that incorporate the blue and yellow in the logo
- consistent messaging/visuals on social media
- design of a new weekly club newsletter that is shared with members and a quarterly newsletter that is uploaded to the website to share with our supporters and the wider community
- new club logo design
- creation of new polo shirts, caps, vests, jackets and banners featuring updated design and clearer club branding for easier recognition
- introduction of reels on social media
- new suite of collateral for Annual Golf Day (fliers, presentation, tickets, information booklet)
- regular posting to social media to promote club activities, achievements and impact
- tagging of peer/partner organisations to increase market/audience reach
- specifically designed social media templates for the following subjects/topics:
 - new members
 - guest speakers
 - educational content
 - community service
 - Interact
 - events

In the past year the club has experienced:

- a 1.7K% increase in facebook page reach (up to 18,564 reach compared to same time last yr)
- 946 facebook page visits (125.8% increase)
- Instagram reach of 235 (a 100% increase)

Marketing is an invaluable tool that will support the ongoing growth and sustainability of the club through improved awareness and engagement plus it provides an opportunity to shine a spotlight on the positive impact our club, and more specifically our members, contribute to our wider community.

MEMBER ENGAGEMENT

Being part of Rotary is not only doing good within your community and internationally; it's also about friendship, forging human connections; laughing, forming bonds, and building relationships with others.

We are a place where life-long friendships are forged and many laughs are had, as we work together on a diverse range of projects that help our local community, those in need around the country and throughout parts of the world who are less fortunate than ourselves.

There's so much more to Rotary than simply manning a barbecue at Bunnings or swinging a hammer... and this year was no exception with a regular social get-togethers at a few local spots (Cheeky Squire, The Hop Shop, the newly launched Hotel Lona); Christmas breakfast at Frankston Foreshore (perfectly cooked by Bruce McGregor with Warwick Smith juggling orders on the coffee machine), farewell to fellow Rotarian Phil Tang at Frankston Brewery, and attendance by a few members and partners at the Rotary District Conference at Cape Schanck.

There was also a challenging (but enjoyable) hike to Werribee Gorge for the brave of heart, and a touch of culture with stage shows, Chicago and Boy from Oz at Frankston Arts Centre.

Fellowship is the glue that binds us all together and one of the many reasons why our club has been around for 32 years (and counting).

Phil Tang - Director (June 2022 to January 2023)

Robert Maitz - Director (February 2023 to current)

MEMBERSHIP GROWTH

Kim Michod

The past 12 months has been a positive one for growth, sustainability and diversity with the club welcoming its first female members, Kim Michod and Sonja Bottern.

Kim has blown us away with not only her fun loving nature, but her ability to get things done and we are thrilled to have her on board.

David Gibson

It was great to welcome Dave Gibson to the club who has already shown to be a true asset with his skills and overall nice guy attitude! Col Barber transferred to Sunrise from Langwarrin Club during the year, however ill health unfortunately forced him to resign from Rotary in June. We wish Col well with his health battles and would welcome him back in the future if he is able.

The introduction of corporate memberships was a fantastic initiative led by Peter Cracknell and Shane Thomas and a new way to encourage involvement and revitalise our membership.

Ben Holian

We welcomed GPK as a corporate member with Ben Holian as their representative. Ben joins as our second youngest member and the most tech-savvy by a country mile.

St John of God also joined as a corporate member with Director of Clinical Services Karen Ward taking the lead. It is really great to partner with such a great local organisation and it's fantastic to have Karen on board.

Ray White Frankston also committed to becoming a corporate member with Ash Weston and his boundless energy the driving force behind their engagement.

Sadly we had a few departures with members moving in different directions due to life and work commitments - Tony Carter, David Morgan, Gary Morgan, Sjaak Kusters, and Phil Tang. We thank them for their energy and passion over the years and wish them happiness and success, and would welcome them back at any time if their situation allowed.

Dave Wilton - Director

MEMBERSHIP GROWTH COMMITTEE:

Ross Luxford
Joe Russo
Kim Michod
Ash Weston

Karen Ward

VERY SPECIAL KIDS TREADMILL CHALLENGE

For the third year, Rotary Frankston Sunrise organised an 8 hour treadmill challenge to raise funds for Very Special Kids. There might have been a few sore knees and bodies afterwards but there were also plenty of smiles with \$26,452 raised.

The funds raised will be used to support Very Special Kids provide holistic palliative care for children and young people with life-limiting conditions, and tailored support for their families – through life, death and bereavement. Their integrated approach includes emotional, clinical and practical support to improve quality of life and create positive, lasting memories.

Over the past three years, Rotary Frankston Sunrise has raised more than \$80,000 for Very Special Kids.

This year's outcome could not have been achieved without the support of the following businesses and individuals:

- Willerby's Solicitors & Conveyancers
- Breathe Hair-Frankston
- Bite Local
- Ray White Frankston City
- Frankston High School
- BNI Melbourne South
- Core24 Health Clubs
- Thomas Anderson Design
- Stitched By Ella
- Down the Street
- Virgo Espresso
- Bunnings Warehouse Australia
- Very Special Kids

Special thanks to Joe Russo at Core24 Frankston for hosting the event at his premises.

ANNUAL CHARITY GOLF DAY

On Monday 20 March, 31 teams (124 golfers) competed for the highly coveted Stuart Woodward Memorial Trophy and raised just shy of \$50,000 through the event.

First Place - team from Shepard Webster & O'Neill

Gross Score: 63 Nett Score: 53.25

Runners Up - team from Bayport Group

Gross Score: 62 Nett Score: 54.12

Third Place was the combined team from

Rolls Australia & Prosperum Wealth

Gross Score: 58 Nett Score: 54.25

Unfortunately, our \$50k Hole-In-One prize didn't go off, nor did the two \$1k Travel Voucher Hole-In-Ones (there's always next year) but there were loads of other great prizes won on the day including a weekend use of a Mercedes car, and a fantastic Callaway Driver (that was donated by Drummond Golf Frankston).

Our Beneficiary breakfast was held on Wednesday, 3 May at Peninsula Kingswood with funds distributed to Wheelchairs for Kids, Frankston Football Club, Community Support Frankston, Sikh Volunteers Australia, Frankston Community Fund, Mums Supporting Families in Need (MSFIN), and Peninsula Kingswood Community Foundation.

Next year is already booked for Monday 18 March 2024 with planning kicking off soon!

SUNRISE FOUNDATION

There are some exciting times ahead for the Frankston Sunrise Foundation.

As members would know, the remaining profits from our boat shed building program (just under \$300k) have been sitting in Trust at Frankston City Council for some time as various programs had been considered but ultimately rejected ...well those monies are now back in our Foundation Bank Account and we have a plan!

But first, a special vote of thanks and sincere acknowledgement to our Club Treasurer (and pro-bono lawyer!) Jason Coppard for his efforts and unwavering focus in resolving the terms for the transfer of these funds.

And what is the plan?

Over the coming years, Rotary Frankston Sunrise will offer a series of local community grants. Under the terms of our Foundation, all monies being required to support and benefit the local Frankston community.

Our initial range of grants during the coming year will be for amounts up to \$10k with approximately three to five grants to be made available in the first year.

The Foundation Trustees are currently working out the criteria, processes and operating model for the grants program, with the support and guidance of those with knowledge in the area.

We will also be looking to ensure much of our supports can go to those smaller organisations making huge local impacts. Beneficiaries will need to be registered with "Deductible Gift Recipient" (DGR) status under the terms of our Trust Deed.

All our members are encouraged to get involved in identifying appropriate beneficiaries as we move forward.

OUR IMPACT

Frankston Sunrise impacts our local and international community in many ways:

- Raised funds for Very Special Kids (monies go straight to Very Special Kids so do not appear in our financials)
- Funding support for the Community Support Frankston Christmas Appeal which will put food on the table at Christmas for local disadvantaged families
- Hands-on support packing hampers for Community Support Frankston
- Funding to provide winter essentials for families in need via MSFIN (Mums Supporting Families in Need)
- Funding to support meals into the devastated regions of Türkiye through World Central Kitchen
- Funding to support the amazing work of Sikh Volunteers Australia in providing healthy meals to local homeless and disadvantaged people
- A cleaner Frankston foreshore (Clean Up Australia Day)
- A renovated "Artists' Residence" at McClelland Gallery and Sculpture Park
- Funded over 20 wheelchairs to go to children in the developing world via Wheelchairs for Kids
- Funding support of local grassroots sport via the Frankston Football Club Foundation
- Funding support to those disadvantaged and disengaged in the local community via the Peninsula Kingswood Foundation

In the 2022-2023 year, Rotary Frankston Sunrise has provided financial support to:

- Community Support Frankston
- Frankston Football Club
- Frankston Charitable Fund
- Mums Supporting Families in Need (MSFIN)
- Peninsula Kingswood Community Foundation
- Sikh Volunteers Australia
- Wheelchairs 4 Kids
- Women's Spirit Project
- World Central Kitchen
- Project Fresh Start
- Groomed to Go
- Australian Vietnamese Museum
- Rotary International

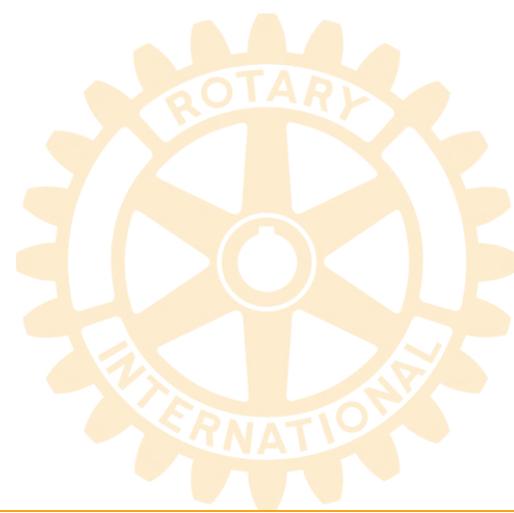

OUR IMPACT (cont)

- Funding the participation of a delegate in the 12-week "Spirit of Transformation" program run by Jodie Belyea and the team at Women's Spirit Project
- We mentor and support leadership development and community service in students via Interact at Frankston High School
- Funding to support the work of Project Fresh Start, providing healthy meals to local homeless people
- Funding support to help clothe and prepare people for job interviews and work through Groomed To Go
- Funding support to Rotary's global program to eradicate polio - Polio Plus
- Funding support to the Australian Vietnamese Museum (currently under construction)
- Refurbishment of the mobility garden at St John of God Frankston
- Supported the sausage sizzle at the ANZAC Day Dawn Service at Beauty Park, which includes fundraising for the local RSL
- Supported Frankston Football Club (FFC) by running a sausage sizzle and bar at Frankston VFL home games - raising funds for FFC and Sunrise Community programs
- Supported the Cultural Day at McClelland Gallery by running a sausage sizzle

"Just as ripples spread out when a single pebble is dropped into water,
THE ACTIONS
of individuals can have
far-reaching effects"

Interact

Frankston High School

Our Interact Club at Frankston High School is a massive success and something Frankston Sunrise can be immensely proud of. Three years in, it is going from strength to strength and is recognised across our District as a shining example of what Interact can be.

So what is Interact?

Interact is a Rotary sponsored community service organisation for secondary school students. It is about supporting student engagement in service, developing teamwork, leadership and personal growth for the students.

As Rotarians, our role is to work with the coordinating teacher in mentoring the students. Most importantly, Interact is set up to be run by the students who determine their service priorities and run their own meetings.

Rotary International has a guideline that Clubs meet fortnightly and undertake two key projects per year:

- 1. A service project supporting the local or school community*
- 2. A project that builds international awareness and understanding*

From day one, our Interact teams have wanted more. They meet weekly; they communicate on Microsoft Teams on what seems to be a 24/7 cycle; they manage multiple projects and engage in all sorts of additional activities.

As many of you know, we have been incredibly fortunate to have Jon Christie as our coordinating teacher. Jon has a passion and energy as a teacher and for Interact that it is hard to imagine could be topped. The time he puts into Interact in and out of school hours is phenomenal (some of those we see, giving up weekend days to support the students, many of those hours we don't). Interact at Frankston High would not be what it is without Jon Christie and he has our very sincere thanks.

Interact

Frankston High School

Interact leadership teams run to the school year, rather than our Rotary year, so this last 12 months we have worked with two different leadership teams. Different styles, different personalities, but consistent across all is their passion, enthusiasm, work ethic, and an determination to achieve a great result.

Particularly exciting is the strength and commitment of our junior school students, a number of who are already occupying key leadership positions and are very focussed on the future of Interact - a future that looks very bright!

Some of what has been achieved in the last year:

- \$5000 for a SkyHydrant in a village in Bhutan
- Toy Drive in support of Frankston Toy Library and the Salvation Army
- Interact Bunnings BBQ raising \$2200
- Flag Bearers at the Rotary International 2023 Convention Opening Ceremony
- Attended the House of Friendship at the RI Convention - new ideas for future projects
- Collaboration Projects within the school (toothbrush and toothpaste drive to support Asylum Seeker Resource Centre)
- Supported Sunrise activities:
 - Treadmill Challenge
 - Clean Up Australia Day
 - Extra hands at our May 27 Bunnings BBQ
- Supported other Rotary activities:
 - Peninsula 2.0 Duck Derby
 - ANZAC Day Dawn Service @ Beauty Park

Our Interactors have a full 2nd half of the year planned and money already in the bank to support more causes.

And to the Rotarians who have donated toys and worked alongside the Interactors across these activities, thank you!

The very positive feedback from our members who have worked alongside the Interactors has been a consistent theme throughout the year. Peter Stacey's note below is a great example:

"I was at the Bunnings BBQ yesterday between 2pm-5pm and had the pleasure of meeting and working with Kian and Grace from Frankston High School's Interact Group. They were two of the nicest young people you could wish to meet, a credit to themselves, their parents and the school" - Peter Stacey

Service Above Self

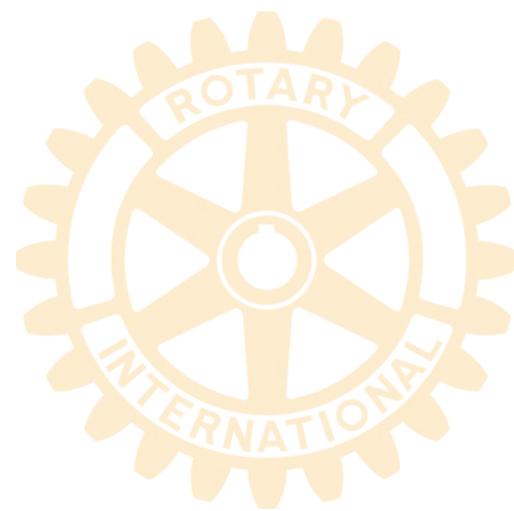

PAUL ARTHUR "QUIET ACHIEVER"

Dave Wilton has been with us as a member for the last two years and makes a very real contribution to Frankston Sunrise, getting in and getting it done.

- Membership & Marketing Director this past year, and continuing into the coming year as Membership Director
- Mentoring support to the Interact Club
- Managing our Bunnings Sausage Sizzle activity
- Delivering a Bite Local Team to the Very Special Kids Treadmill Challenge
- Volunteering and supporting club activities
- AND, stepping up as President-elect Nominee for the Rotary Year 2024-2025

Dave has already made a very significant impact as a Rotarian and clearly, he is a strong and very valued member for the future.

Thank you, and congratulations Dave.

AWARDS

Service Above Self

ROTARIAN OF THE YEAR

Kim Michod joined us 12 months ago and hasn't she made an impact in the most positive way!

The welcoming of female members to our club was a long time coming, so we were very conscious that the first arrival was a very significant one. It was important that the person felt welcomed and accepted from the start, but equally important they could understand and embrace the Sunrise culture.

Prior to her joining, we had a chance to get to know Kim through her Golf Day involvement, first when she was on the board at Dogs For Kids, and then in her role with Mums Supporting Families In Need. We knew from the outset, that Kim's energy, commitment and sense of humour was the perfect fit for Sunrise – and so it has proved to be!

As mentioned elsewhere in this report, Sunrise gets sh!t done – and that's exactly what Kim does. Here's a taste of that effort:

- Taken the lead in building our communications platform and created a dynamic new look for us that has improved internal engagement, but is also building our profile across the community
 - A new Sunrise Times
 - A new quarterly newsletter for public distribution
 - A new look and drive in our social media
 - New uniforms
 - New teardrop banners
 - And of course this new-look Annual Report
- Deputy Director to our Membership & Marketing Committee
- One of our mentors for Interact
- Volunteering, literally for everything!
- Membership of the Golf Day Organising Committee
- Leading our 2023 Treadmill Challenge Organising Committee
- With her NFP industry experience, supporting the development of our Community Grants Program.

Kim has blazed a path for the growth of our club into the future and is a tremendous asset to Frankston Sunrise. Kim, like other new members at the club, doesn't change the Sunrise culture; she enhances it.

Liked, loved and certainly respected by our membership, Kim Michod, after just on year in the Club, is a very worthy recipient of Rotarian of the Year 2022-2023.

AWARDS

Service Above Self

PAUL HARRIS FELLOW - SAPPHIRE

Shane Thomas, Charter Member, has continued over the past 32 years of service, to be a stalwart and powerhouse of the Rotary Club of Frankston Sunrise. Shane's contribution to Sunrise is undeniable.

- Twice a President – 2011-2012 and 2020-2021
- Committee Director more times than we can trace records for
- Trustee of the Frankston Sunrise Foundation
- Together with David McKenzie, the driving force of our Annual Charity Golf Day for over 20 years
- Led the design and project management of more projects than there is space to mention, but a highlight of course being our boatshed building projects on Frankston Beach that have provided the \$300k that will drive our Community Grants program for some years into the future.

Shane's commitment to service extends well outside his Rotary activities with, for example, his past involvement with PENCOF, his continuing involvement with Frankston City Council and their Community Grants Program and more.

His passion for Sunrise and giving back to the community, his "get it done" attitude, his sense of humour, and the genuine friendship he offers us, is something all our members cherish.

Shane shows no signs of slowing down. He is one of the first to lead, one of the first to volunteer and he has embraced with real commitment the changes that have come to Frankston Sunrise as we build an exciting future for our Club.

He is the embodiment of the spirit and personality that is Frankston Sunrise.

The awarding of a Sapphire PHF is perhaps a long overdue, albeit small, recognition of Shane's long-standing and continuing service to the Rotary Club of Frankston Sunrise.

Shane, the sincerest of thanks from all your friends at Frankston Sunrise.

GUEST SPEAKERS

Over the past year, Frankston Sunrise members have enjoyed a vast variety of guest speakers who have been invited to one of our breakfast meetings and then gifted their time to share their passion and learnings with us.

We have been educated, enthralled, amazed, confused, enlightened, and at times, humbled by their stories, and we thank each and every one of them for making the time to talk with us.

Guest speakers 2022-2023:

David Hanlon, *Frankston North Primary*
