

QUICK PITCH TRAX TAB & CLAMP

SPECIFICATIONS

Dimensions

- Dimensions: L1450 x W75 x H380mm
- Weight: 11.7Kg

Features

- Foldable table (L1200 x W345mm)
- Quick Access Lock
- Adjustability for Max Trax (Can hold 4)

The **Trax Tab** is shown below.

The **Trax Clamp** is similar to the Trax Tab, except the unit does not fold down into a table but remains as a fixed product.

The Trax Tab helps you stow away your Max Trax and allows easy access to them.

A versatile product that is mounted to your vehicle and takes up no internal space.

It has a double function, and can be used as a table.
