The Team on Site Project kick-off

KILELE

The current dormitory

**More than 70
girls in one room**

KILELE

What will be the Impact of this project?

- **A good boarding environment**
- **Proper sanitation environment for girls**
- **Motivation to stay in school**
- **Protection and safety for the girls**
- **Prevention of unwanted pregnancy**

KILELE

Summary

- This project will be a gamechanger to the Maasai Girl child in Molibany and the community at large
- This is a project that once implemented, a story of success will be told in a short while
- We appreciate anyone who will come on board to support  this dream to a reality
