

2022 Camp Time Trial

July 11th marks the **1st Camp Time Trial** at Herriman High School. There are 2 races, the Mile Race which is 1 mile and consists of 7-12th graders who are not 100% ready for the longer time trial. This is a fun opportunity to see how training is helping you get faster! The Camp Time Trial race is ~2.50 miles, and is the determining factor for spots at our Mt. Pleasant XC Camp from July 18– July 22. The top 16 boys & top 16 girls times from the time trial qualify to camp (athletes that finish outside the top 16 may get selected to go if spots open up, *but it is not guaranteed*. Any open spots will be determined per coaches' discretion. We encourage all athletes, alumni, and parents to attend our time trial and be a part of the festivities! The time trial gives athletes the chance to earn their trip to camp and show they have been working hard to make Herriman XC an elite team. Please plan to stay the whole time and cheer on both races! There is plenty of parking at the high school and restrooms will be available inside the school. We look forward to you joining us on the 11th. Please check out the info and time schedule below. Bring lots of fluids and be on time so you have warm up time!
