

BEST OF COSTA RICA

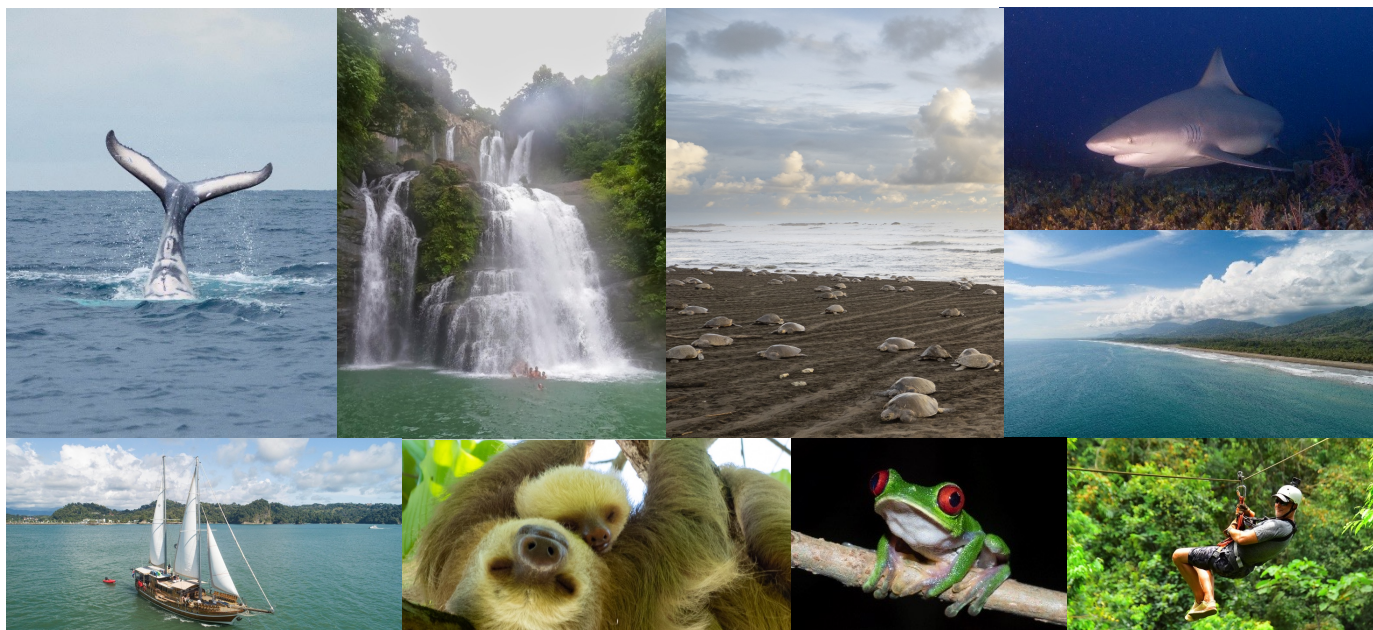

The highlights of the Pacific coast in 14 days

Humpback whales - Turtle egg-laying - Bull sharks

Be one of the first - this tour is new and unique! It has been planned based on years of experience and is timed to coincide with the annual migrations of the animals.

Experience the natural wonders of Costa Rica's Pacific coast and exciting adventures in the interior with us, exclusively in small groups (max. 12 people). Dive on the Pacific coast both in the south of the country, as well as in the north off the Nicoya Peninsula. You will be amazed by the breathtaking diversity of Costa Rica!

We start at the beautiful Paradise Lodge (Austrian owned), from where various excursions (diving, waterfalls, beaches, boat tours, whale watching, rafting) will be carried out during the first 3 days. Then we gradually head north: 2 days in Manuel Antonio National Park (quad biking, ziplining), 2 days in Ostional (mass nesting of turtles), 4 days in Playas del Coco (diving - bull sharks).

Price (without flight): from EUR 4,850 per person

(instead of 5,600 Euro per person) **Offer valid until:** December 15th, 2024

incl.: Transfers, accommodations, breakfast, all excursions, diving, Austrian tour guide

Date: 11th-24th September 2025
