

AL-KO thrilled to support the 96th International F.I.C.C. Rallye!

As a leading supplier of groundbreaking chassis solutions and a wide range of accessories for motorhomes and caravans, AL-KO Vehicle Technology is delighted to support the 96th International F.I.C.C. Rallye! Camping means freedom, adventure and comfort - exactly what we provide with our products! Meet us at the rallye, discover our pioneering technologies and talk to our experts. Whether a safe chassis, practical levelling and maneuvering systems or comfortable accessories like rear carrier systems - we make your trip even more enjoyable! And if you want to upgrade your vehicle on your journey, visit one of our European AL-KO customer centers. Here you can install new accessories or increase the payload of your caravan - for even more comfort and safety! We look forward to exciting encounters and unforgettable moments - see you soon at the rallye! [AL-KO - Quality for life.](#)
