## Message

I worked as a high school English teacher for many years, during which I had the opportunity to interact with trainees and international students from various countries around the world. After retiring, I started out as a guide in Nikko, but I love welcoming people from overseas and learning foreign languages, so I have now become a Spanish guide-interpreter. I would like to introduce the wonders of Nikko and Tochigi Prefecture. People who wish to learn Spanish are also welcome. I am also a Spanish instructor for Utsunomiya citizen courses, an English instructor at a nursing school and I have an official tour conductor license. My hobbies are shorinji kempo (1st dan), flamenco and hula dancing, and traveling. I look forward to hearing from you!
