08:00				08:00																
08:15				Opening Session																
08:30																				
08:45				Pancreatic Neuroendocrine Neoplasms (PanNEN): Where diagnostic meets therapy		Translational research in acute pancreatitis														
09:00																				
09:15						Abstract-based session: Neuroendocrine neoplasms														
09:30																				
09:45			Guideline: Pain management in acute pancreatitis																	
10:00																				
10:15	EPC – ESP Postgraduate course Early Diagnosis of Pancreatic Cancer – 2025 Update		Surgical Anatomy hands-on Workshop Medtronic GmbH		10:20	Coffee Break										EUS & US hands-on Workshop Fujifilm Healthcare Europe GmbH & MICRO-TECH Endoscopy		Laparoscopic surgery Workshop Corza Medical GmbH		
10:30																				
10:45																				
11:00					Abstract-based session: Acute pancreatitis clinical & experimental		Disruptive technologies in pancreatic diseases													
11:15																				
11:30							Satellite Symposium Nordmark Pharma GmbH													
11:45																				
12:00	EPC – ESP Postgraduate course Early Diagnosis of Pancreatic Cancer – 2025 Update				Lunch Break
