

The Language of miracles - Animal Communication with Amelia Kinkade -

Weekend seminar

24.-25. May 2025

at the Black Forest sanctuary „Allerheiligen“

In honour of this beautiful monastery ruin, Amelia is offering you the opportunity to dedicate yourselves to your animal souls in heaven on **Monday 26th May**.

Come learn to “talk” to the animals you love in this spectacular sanctuary!

Have you ever wondered what your animal was thinking?

Do you wish you could talk to your animals **AND** hear them “talk back?”

You can learn to access their thoughts, feelings, and physical sensations!

You are born with magical possibilities! Animal Communication is a **learned skill**,
so you **CAN** discover your own innate intuitive power and hone your abilities.

Come study with one of the world's most legendary Interspecies Communication teachers!

Amelia is coming back to her beloved Germany!

The legend of Amelia Kinkade

Ms. Kinkade has lectured in 27 countries, including the US and Hawaii, England, Scotland, Wales, Canada, Mexico, Switzerland, Sweden, Poland, Portugal, Norway, The Netherlands, Zambia, South Africa, Rwanda, Brazil, Costa Rica, the Isle of Man, the Canary Islands, and now back in the Black Forest, Germany!

Amelia teaches animal lovers of all walks of life, from animal rescue workers to teachers, doctors, veterinarians, and horse-lovers of every level of competition.

Children above the age of 9 are also welcome!

See for yourself why Amelia was invited to Buckingham Palace to “whisper” with the Queen’s horses – and learn how she works with children in Africa and animals in the wild, fighting against the evils of poaching and promoting the respect, communication, and collaboration that should be given to all God’s creatures.

What you will learn

Clairvoyance: (Clear-Seeing) The ability to exchange mental pictures & even “film clips” (moving sequence of events) to and from the minds of your animal friends.

Clairsentience: (Clear-Feeling) The ability to receive emotion from your animal friends.

Clairaudience: (Clear-Hearing) The ability to hear telepathic from your animal in words.

X-ray Vision: (Medical Gestalt) The ability to use your body as an instrument to determine if and where your animals are in pain.

Starlight Vision: (Mediumship) The ability to send & receive messages from beloved animal friends on the “Other Side.”

Photo Talk: (Remote Viewing) Learning to connect to distant animals using nothing but a photograph of the animal.

Animal Healing: (How to Pray for Your Pet) Learning to comfort sick, elderly, injured, or traumatized animals by pouring grace into their hearts and minds.

Note: Please do not bring your animals from home but please bring photos. You will exchange photos with other students as Amelia teaches you to “read” the animals of other students.

Optional 3rd day: Starlight Vision Mediumship Class

Come honor your animal (and human) loved ones in Heaven with this exclusive day with Ms. Kinkade where she can teach you to see into the gates of Heaven. Exercises will include a candle-light service to release grief and regret, banishing the past into the breathtaking waterfall, and grounding rituals with the essence of some of the earth’s most mystical ancient trees. Leave the stresses of human life behind as you rejuvenate your body and mind in the glorious woods.

What heaven will be like when we first walk in....

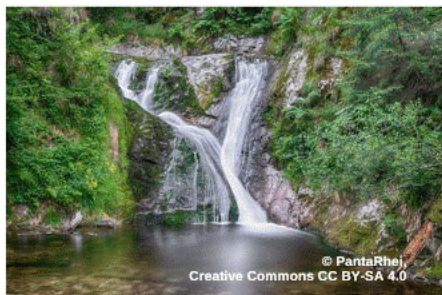

The legend of „Allerheiligen“

"Allerheiligen" has long been a focal point of spiritual and cultural history.

A visit to the monastery ruins and the legendary waterfalls immediately makes it clear that this little corner of the world was not consecrated to all saints for nothing. Even before the monastery was founded, "Allerheiligen" seems to have been a place of mystery.

According to legend, this place was chosen by a donkey who was sent off with a sack of gold to drop the treasure where a new monastery was to be built.

The unspoilt mixed mountain forest in the gorge around the waterfalls is a special wilderness place where you can recharge your batteries and come to your senses. Even Mark Twain is said to have stopped and enjoyed here on his way through.
