Student records and directory information

Device location

with us

Category K information may be used, or disclosed to a service provider or contractor, for additional, specified purposes. You have the right to limit the use or disclosure of your sensitive personal information.

We may also collect other personal information outside of these categories through instances where you interact with us in person, online, or by phone or mail in the context of:

and characteristics

We may use your personal information for our own business purposes, such as for undertaking internal research for technological development and demonstration. This is not considered to be "selling" of your personal information.

Right to opt out of the processing of your personal data if it is used for targeted advertising, the sale of personal data, or profiling in furtherance of decisions that produce legal or similarly significant effects ("profiling")

If you have questions or comments about this notice, you may contact our Data Protection Officer (DPO), Joshua Antaya, by email at Owner@AntayaTek.com, by phone at 4013092931, or contact us by post at:

You have the right to request access to the personal information we collect from you, change that information, or delete it. To request to review, update, or delete your personal information, please fill out and submit a data subject access request

This section applies only to Connecticut residents. Under the Connecticut Data Privacy Act (CTDPA), you have the rights listed below. However, these rights are not absolute, and in certain cases, we may decline your request as permitted by law.

The categories of third parties to whom we disclosed personal information for a business or commercial purpose can be found under "WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?"

Account login information

address, email address, and account name

To respond to user inquiries/offer support to users. We may process your information to respond to your inquiries and solve any potential issues you might have with the requested service.

To comply with our legal obligations. We may process your information to comply with our legal obligations, respond to legal requests, and exercise, establish, or defend our legal rights.

To fulfill and manage your orders. We may process your information to fulfill and manage your orders, payments, returns, and exchanges made through the Services.

To protect our Services. We may process your information as part of our efforts to keep our Services safe and secure, including fraud monitoring and prevention.

To identify usage trends. We may process information about how you use our Services to better understand how they are being used so we can improve them.

• Location Data. We collect location data such as information about your device's location, which can be either precise or imprecise. How much information we collect depends on the type and settings of the device you use to access the Services. For example, we may use GPS and other technologies to collect geolocation data that tells us your current location (based on your IP address). You can opt out of allowing us to collect this information or by disabling your Location setting on your device. However, if you choose to opt out, you may not be able to
