How to Open

- 1) Bag Unit- Open Zipper of the bag, one zip to the front and other one to the back. Open the zipper to the maximum on both ends. (See red line – Fig. 2)
Box Unit- Unhook the latches. (See red circle – Fig. 3)
- 2) Unstrap the 2 x black Velcro straps. Letting the canvas down. (See blue circle – Fig. 3)
- 3) Take the first arm and open it to the left.
- 4) Take the hinge on the second and third arm and pull it to the right. This will allow the arms to make a square. (See yellow line – Fig. 4)
- 5) Open either side of the door, left or right to enter the Quick En Suite. At the back there is a window opening in the canvas that can be opened and closed with zips. The window at the back gives you access to the vehicle, canopy, caravan, or trailer if needed.
- 6) Webbing loops at each bottom corner for pegging the canvas down in windy conditions. (See white circles – Fig. 4)
- 7) Holes in the left and right arm accommodates telescopic poles if needed.

How to Close

- 1) If the canvas was pegged down or telescopic poles was used, remove these from the Quick En Suite.
- 2) Take the left corner of the frame and move that to the left. Making sure the bag units does not catch between the arms. As this might damage the bag.
- 3) Take the right corner arms 2 and 3 and fold them in to the box or the bag NB: (make sure the elevated bend on arm #3 is moving in on top of the bend of arm #2.) make sure the bag units' bag does not get pinched, between the arms. As this might damage the bag.
- 4) Then fold arm 1 (left arm) in.
- 5) Now start rolling the canvas as tightly as possible from the bottom up.
- 6) Once folded take the 2 x black Velcro straps and tie them through the loops in the arms, making sure it is tight.
- 7) Close the box and close the latches / close the bag and pull the zippers to the bag of the bag.

Maintenance

- 1) Periodically check the brackets, nuts and bolts and ensure they are tightened by hand.
- 2) Ensure the canvas is tucked in properly.
- 3) Clean the Quick En Suite with clean water (do not use a high-pressure washer or chemicals)
- 4) Contact your closest dealer if there are any support required.
