Bar Cala Blava (Spanish and International)

In 5 walking minutes distance from the house you find the only local nearby bar in the small town of Cala Blava. It has a nice swimming pool and offers local food but also Hamburgers. The cook does a decent work, but don't expect high cuisine.

Good also if everybody from the group wants to enjoy more than one glass of Sangria (typical spanish drink) and walking home is a good idea. Check Opening Hours first in winter time.

Restaurant Aldente (Italian)

<https://goo.gl/maps/ziUTNxAfrBThjtt7> Rambla, 2, 07609 Son Verí Nou

Aldente is the second nearest Restaurant to Casa Pura. 5 min by car or about 25 min scenic walking distance. They offer good Italian food, portions are big and we like to eat there at least once per vacation stay. Next to Aldente you find also a wine bar, cafes and a more spanish oriented restaurant (also to be recommended).

Restaurant Sa Farinera (Typical Spanish)

safarinera.com <https://goo.gl/maps/JgbqBggPf4G2rMig8>

If you like to eat grilled meat, this is a highly recommended place, but also for vegetarians they have a few choices. Very authentic old style building, excellent and fast service. The pricing is very decent and will not leave a deep whole in your pocket. Don't forget to get the typical spanish bread with Alioli (a spanish garlic mayonnaise). In summertime it's recommended to reserve a table.
