

Motivation vs. Passion

What's the difference?

Motivation...

**... is in your brain
and will only last
for a certain
period of time.**

Passion...

**... is in your heart
and lasts
forever.**

**Motivation without
passion is ...**

**... nothing and
means zero.
It means that
you WANT to be
the best and
maybe it will help
you to get you
fired up to do
something...**

But it is passion ...

**... that's
everything in
order to BE the
best and act out
on that for
nearly forever.**

What do you think? ...

**... and what is it
that you are
passionate
about?**
