

Industry-sponsored scientific activities

Status: March 2025, Alterations are subject to change without prior notice.

Wednesday, July 2nd, 2025 University Hospital Dusseldorf

Institute of Anatomy

09:00-12:30 hrs Surgical anatomy hands-on workshop

Fascia derived dissections during the Whipple procedure: Proof of concept to preserve the integrity of resection margins

Course directors:

Trudo Knoefel, Sami-Alexander Safi (Dusseldorf, Germany); Nuh Rahbari (Ulm, Germany)

Lecturers:

Lena Haeberle-Graser, Michael Wolf-Vollenbroeker (Dusseldorf, Germany); Michael Kormann, Emrullah Birgin (Ulm, Germany)

Sponsored by Medtronic GmbH

Participation by prior registration only

Thursday, July 3rd, 2025 Congress Center Dusseldorf | CCD

Room 01

09:00-10:30 hrs EUS and US hands-on Workshop

Sponsored by Fujifilm Healthcare GmbH & MICROTECH Endoscopy

Participation by prior registration only

Room 02

09:00-12:00 hrs Hands-on workshop

Laparoscopic pancreas surgery in a complete abdominal and retroperitoneal porcine model

Sponsored by Corza Medical GmbH

Participation by prior registration only

Room 2

12:00-13:00 hrs Satellite Symposium

Sponsored by Nordmark Pharma GmbH

Room 2

15:00-15:30 hrs

Satellite Symposium

Biodegradable Stents as a surgical tool to reduce severity of CR-POPF's and biliary complications in Pancreatic Surgery

Sponsored by Q³ Medical Group

Room 01

16:30-18:00 hrs

EUS and US hands-on Workshop

Sponsored by Fujifilm Healthcare GmbH & MICROTECH Endoscopy

Participation by prior registration only

Room 3

16:30-17:30 hrs

Satellite Symposium

-IgG4 related disease: an Update

Chairs: Gabriele Capurso (Milan, Italy); Irene Esposito (Dusseldorf, Germany)

Sponsored by Amgen GmbH

Friday, July 4th, 2025

Congress Center Dusseldorf | CCD

Room 01

08:45-10:15 hrs

EUS and US hands-on Workshop

Sponsored by Fujifilm Healthcare GmbH & MICROTECH Endoscopy

Participation by prior registration only

Room 2

09:15-09:45 hrs

Satellite Symposium

From Diagnosis to Management: Addressing Secondary PEI in an Aging Population

Djuna Cahen (Rotterdam, The Netherlands)

Sponsored by Abbott Products Operations AG

Room 2

13:45-14:15 hrs

Satellite Symposium

Understanding and Managing Pancreatic Exocrine Insufficiency in Diabetic Patients: A Cross-Disciplinary Approach

Miroslav Vujasinovic (Stockholm, Sweden)

Sponsored by Abbott Products Operations AG

Room 01**13:45-15:15 hrs EUS and US hands-on Workshop****Sponsored by Fujifilm Healthcare GmbH & MICROTECH Endoscopy**

Participation by prior registration only

Room 2**15:15-16:15 hrs Satellite Symposium****The role of Ultrasound in pancreatic interventions: from EUS to Surgery***Chairs: Enrique Dominguez Munoz (Santiago de Compostela, Spain); Hauke Lang (Mainz, Germany)***Introduction***Enrique Dominguez Munoz (Santiago de Compostela, Spain); Hauke Lang (Mainz, Germany)***Status of iEUS in 2025: from simple drainage to surgery-like procedures***Cecilia Binda (Forli, Italy)***Pancreatic surgery 2025 and beyond: Precision matters***Nuh N. Rahbari (Ulm, Germany)***Discussion & Wrap-Up***Cecilia Binda (Forli, Italy); Enrique Dominguez Munoz (Santiago de Compostela, Spain); Hauke Lang (Mainz, Germany); Nuh N. Rahbari (Ulm, Germany)***Sponsored by Fujifilm Healthcare Europe GmbH****Saturday, July 5th, 2025 Congress Center Dusseldorf | CCD****Room 01****10:45-12:15 hrs EUS and US hands-on Workshop****Sponsored by Fujifilm Healthcare GmbH & MICROTECH Endoscopy**

Participation by prior registration only
