4x1600 "D"	Jordan Greensides	Eli Wardle	Parker Monsivais	Bryce Runnells	Noah Manwaring	Seeded	Sat	8:20 pm	Maroon

***These are the Herriman entries for the meet, NOT what it says on the Mt. SAC Sheets! This is what will be followed for the meet, relay legs are in race order!

***All athletes including alternates are expected to be in uniform, warming up, and prepared to compete. Last minute athlete changes do happen!

***This is one of the biggest meet on the west coast and has national level competition. Every effort was made to put together our best teams with our best athletes. We do realize that a lot of athletes were close and have an argument about whether or not they should be on a specific team or not. Do not make the argument, it has already been taken into account. The entries will not be changed. The coaching staff appreciates your understanding in this matter.

***It is very, very, very hard to get into this meet! Entry submissions compete against entries from across the nation!

***Athletes, it is your responsibility to secure the proper uniform for your race if you do not have one!

***Athletes, please make sure to check the day, time, uniform, and heat for your event. This meet has a lot things involved, be very aware and ask questions.

***Some kids have a lot of events. Make sure to focus on hydration, nutrition, ice baths, massage, etc. for recovery.

***Mt. SAC only scores Invitational heats.

***Please remember this meet is about scoring points, not individual needs. Entries were done with this in mind.
