Pila and Aosta Valley:

Like a natural balcony the skiing resort of Pila offers you a breath-taking view of the whole Aosta Valley with it's impressive and world famous peaks, like Mont Blanc, Matterhorn, Monte Rosa and Gran Paradiso. 75km of perfectly prepared slopes await you in winter whereas you can enjoy an exhilarating downhill ride or hike the scenic trails in summer.

A 20min ride with the cableway brings you from Pila centre to the charming city of Aosta with it's roman and mediaeval sites, cosy bars, typical restaurants and shops.

Located in the heart of Aosta Valley, Pila serves as the perfect point of departure for excursions in the whole region. Visit the historic castles, the mountain museum of Forte di Bard, the Spa of Pré-Saint-Didier or the Skyway to experience the magic of the highest mountain of the Alps. Outdoor fans will appreciate skiing in the beautiful resorts of Courmayeur, La Thuile, Breuil-Cervinia and Monte Rosa. Biking or hiking, in the summer you will discover magnificent trails in untouched nature.
