2019-20 President's Report

Well the year as planned didn't quite go the way we anticipated. We got off to a flying start before world found a new challenge, as the Covid-19 pandemic hit all parts of the globe, but more about that later.

I consider it a great privilege to have had the opportunity to be President of the Rotary Club of Frankston Sunrise. As a club, we have an excellent history and reputation in relation to the contribution we make to our local and broader international communities. Our members know how to make a difference and we know how to have some fun as we do it. It is the commitment, enthusiasm and humour of our members that continues to make our club an excellent one to be a part of.

We were able to continue some of the great traditions of Frankston Sunrise. But we were also able to try some new things, in some cases by choice and others, forced upon us by circumstance. What I am grateful for, is the enthusiasm, passion and commitment of the members, families and supporters of Rotary Frankston Sunrise. It is that energy and support that continues to put the club in an excellent place as it looks to the year ahead.

So a recap on some of the highlights of our Rotary year:

- the year began with our Changeover Dinner at Mornington Golf Club attended by some 60 members, partners, family members and friends, including District Governor, Adrian Froggatt
- the club continued in supporting the great work of Community Support Frankston
- we had a partner's dinner and attended the Comedy for a Cause night in support of the iMatter Foundation
- under Laurie's careful planning, we continued the long-established tradition of the Grand Final Eve Lunch at the MCG
- on Sunday, 20th October Mark Rees led us, together with the support of Joe Russo in our inaugural 12 hr

Treadmill Challenge in support of Very Special Kids. Raising over \$22,000 our aim is to continue again this year depending on what Covid-19 throws at us.

- Mark and his team put together an excellent program of speakers representing diverse subjects, organisations and projects such as Very Special Kids, medicinal cannabis, Groomed To Go, Dogs For Kids With Disabilities, Michael Ellis talked footy with a forever footy-mad audience, Bindi Mulligan talking about running a field hospital in Iraq and many other fascinating subjects beyond that. We heard from great young people we had sponsored on Rotary leadership and development programs in Australia and even one to the UK. We also heard of a variety of club members' "Traveller's Tales" – up until we were all no longer allowed to travel!
- In October, some 50 members and partners came together at a function at Bunerong Restaurant to award the first David "Bluey" Bellette Memorial Bursary to a Plumbing Apprentice. Fittingly, it was awarded to an outstanding female apprentice at Chisholm Tafe, Amelia (Millsy) Schouts.
- We put onions under sausages at Bunnings and look forward to returning to that at some stage.

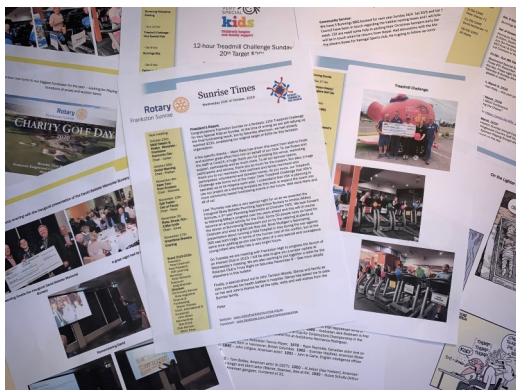

- We made financial donations to: Community Support Frankston, Blackwood Outdoor Specialist School, Dogs For Kids With Disabilities, Focus Individualised Support Services, Interplast, Christchurch Sunrise Mosque Appeal, Frankston High School, Mallacoota Lions Club Fire Aid.
- Through the Foundation, we were also able to donate a total of \$10,000 towards the Gippsland Fire Relief Appeal.

During the year we lost a much-loved member with the passing of John Tenison-Woods and our best wishes are with Glenys and James. Dr Laurie Warfe and Jill retired to the farm in December. A Charter member, it was a great honour to be able to award a Sapphire PHF to Dr Laurie at a very well attended farewell function at CBH in Mt Eliza. Congratulations also to Laurie on being awarded an OAM in the recent Queens Birthday Honours. We also farewelled Bob Barr as he retired from the club during the year.

With the loss of 3 members, we were also fortunate to welcome 3 new members who are already making their mark on the club. Robert Maitz, Warwick Smith and Sherif Balic are outstanding new members of the Sunrise family so notwithstanding the difficulties of the year, we finish with the membership at the same level as last year.

A subject which I was and remain passionate about is improving our public profile and how we communicate ourselves. We made some great starts, but there is plenty more still to go. On this front, we achieved:

- our new look Sunrise Times, as a result of the great work of editor, Robert Maitz. A new look, a fresh approach to content, it gave members an informative look at what the club had in store and reporting on our achievements, with some fun content to keep us entertained as well
- we overhauled and updated our Facebook presence

- we produced a new flyer to assist in our efforts to attract members
- we launched an updated and new look website at www.rotaryfrankstonsunrise.org.au
- we've made a very tentative start on a new database approach to managing the broader Sunrise network. There is a long way to go on making this really work, however it is something that I will look to continue driving over the year ahead.

Interact
Frankston High School

Together with Peninsula Rotaract Club, we reached an agreement with Frankston High School to launch an Interact Club and had planned to kick off in March this year. With the enthusiastic support of John Albiston the school's principal and key staff members, the school had already enlisted great support from the student leadership team when, like with so many things this year, Covid-19 stepped in to delay the launch. I'm pleased to report that in the background, the school and students have continued working towards recruiting a membership base and identifying some initial project priorities. Covid-willing, we will formally establish an Interact Club at Frankston High in Term 3, 2020.

There was also massive effort and energy poured into the planning for major projects like our Golf Day and Ghana Ball. With these major club initiatives postponed until 2021, I want to recognise the enormous effort that was put into these key projects by everybody concerned. It was incredibly disappointing not to be able to go ahead and in the case of the golf day, that decision was literally made nine days before. As you would expect from Sunrise, the commitment for all these projects in 2021 is stronger than ever.

We then turned attention to something we never expected and that was to run our meetings online as Zoom meetings. Some members surprised even themselves by mastering the technology of camera and microphone to be able to join us on a weekly basis. It was an extremely important part of keeping us all connected during the lockdown period. We had some speakers, we had some trivia quizzes (embarrassing for some!), but most of all we were able to see and hear each from other at a time when it would have been very easy to drift apart. We are all champing at the bit to get back to our regular breakfast meetings, but Zoom has proved to be a very effective weapon in maintaining the strength of Frankston Sunrise this year.

So to some thankyou's—To my board, for your continuing support, energy and commitment, thank you so much. To all our club members, their partners and families, you are what makes Frankston Sunrise the great club that it is. As president, you cannot achieve anything without this support, and I am extremely grateful for all the support I have received this past 12 months.

We also cannot forget the wonderful support we receive from our sponsors and supporters of our major initiatives. The expressions of encouragement we have received throughout this year from these individuals and companies has been tremendous.

Finally, I get to make some awards:

Quiet Achiever Award – Robert Maitz

- Robert was inducted as a new member at our Changeover and immediately jumped on board with great passion with everything Frankston Sunrise. He is of course the editor and driver of our new look Sunrise Times. Robert is an enthusiastic volunteer for everything. There is no doubt that Robert will be an important part of Rotary Frankston Sunrise for many years to come.

Rotarian of the Year – Shane Thomas

- A Charter Member, Shane has made a massive contribution to Frankston Sunrise every year since the club began. A Paul Harris fellow, this is not the first time Shane has been awarded Rotarian of the Year. His good counsel, his leadership of the Finance and Fundraising Committee, his ever willingness to volunteer, his sense of humour and finally, his willingness to step up for a second run as President when asked, meant there really was no other choice but to make this award to Shane.

So thank you for the opportunity for my year as President. Not everything I planned it to be, but definitely a privilege nonetheless. I look forward to supporting Shane over the year ahead and my continuing Frankston Sunrise journey for many years to come.

2019-20 Community Service Report

Blackwood

Another great weekend again at Blackwood was had in December. Ramps were erected for a number of tent bases and a new base and storage shed, continuing a Sunrise tradition.

Frankston Council

We have had great support from Gillian Kay at Council with a number of projects still in the development stage. (Tree Planting Day, Mental Health Week, Thrive Project and Habitat Breeding Boxes)

MSFIN (Mums Supporting Families in Need)

Sunrise helped with deliveries during the Covid19 shutdown.

Community Support Frankston

We continued to support the great work at Community Support Frankston, by painting out the shed we previously built at CSF. The provision of the shed has enabled CSF to greatly upgrade their food programme. We also helped Steve with some deliveries during the Covid19 shutdown.

Baxter Kindergarten

Members carried out a working bee to complete an upgrade of their sandpit. Special thanks to Peter Womersley at Mitre 10 for his donation of \$200 towards the cost of materials

Frankston Special Developmental School

We erected a shelter for outdoor play equipment paid for by a Rotary District Grant.

Frankston South Community Centre

We are looking to erect box seating on the deck.

Kananook Sports Club

In appreciation of our previous support, KSC have indicated they want to have a plaque installed acknowledging our club. We have helped to secure Bunnings BBQ bookings for them.

Frankston Dolphins Football Club

We are continuing to explore ways of building relationships with the club. Met with Adrian Lloyd on a number of occasions. Proposed Rotary Match Day Lunch had to be cancelled due to Covid19

Kananook Community Garden

Luke and Matt were very appreciative of the help we gave to build raised garden beds on Saturday 22nd February. Luke is hoping to make use of an AFL Building adjacent to the garden, a project for which we may be able to take an active role in.

Project Exchange

Attended meetings at council where service clubs are invited to learn of potential projects and share ideas with other service clubs. We also created a group Facebook page to help the sharing of information. We attended 2 meetings this year, the Community Garden project came from one of these meetings.

Major Project

We continue to research and debate a major project to use bathing box funds currently held in Trust at Council.

2019-20 Finance & Fundraising Report

This Rotary year has been a tumultuous roller coaster of a ride, starting with the horrific bushfires and ending with Coronavirus which meant cancelling all fundraising events in the last 4 months of the fundraising year.

M.S. MEGA SWIM

This was cancelled due to poor response from teams and lack of support from PARC. Crackers had done a great job getting this off the ground last year and it was a disappointing finish.

BUNNINGS BBQ's – NOV 2019

Roscoe as usual was the mainstay in organising these and we did get one in before the world shut down. They are always a great way to catch up and chat with fellow members as well as raising much needed funds.

FRANKSTON FOOTBALL CLUB

We had started discussions with Adrian "Rocky" Lloyd CEO of the FFC about manning the gates for their 10 home games as well as supporting a "Rotary" day with luncheon at one of the televised games, but obviously all of this was cancelled due to Covid-19.

VERY SPECIAL KIDS TREADMILL CHALLENGE – OCT 2019

Mark Rees did a great job in organising this fundraiser at Joe's Core Fitness Centre in Frankston with the help of Joe and his staff. This fundraiser which raised approximately \$22,000 for Very Special Kids was also very well represented by our club membership in manning and running the day. Next date set is Sunday Oct 18th 2020

GOLF DAY FUNDRAISER – MARCH 2020

After months of meetings and planning it was decided to cancel this years event because of the Covid issue. This was extremely disappointing as it was the 1st time we have had to cancel this major fundraising event. Macca and his team had

again done a fantastic job and the day was a sell out with the projected profit going to be another record. Macca has booked next year's Golf Day for Monday 21st March on the south course at PKCGC.

GHANA BALL – MAY 2020

Tony and Cheryl Carter had again put lots of time and effort into the planning of this event and it was sad to have to cancel it because of the Coronavirus Pandemic. There was talk of running it later in the year but after consultation it was decided to cancel it for 2020 and run it next year in May.

RAY WHITE'S LITTLE RAY OF GIVING – DEC 2019

The club again lent its support to this very worthwhile cause. Ash and Jessie at Ray White organized over 200 gifts, all beautifully wrapped for disadvantaged kids at Christmas time. The presents were distributed again through Anglicare to the local community.

Congratulations must go to "Crackers" on a fantastic job leading the club through a very difficult time. His passion and organisational skills have been a "god's send" for the club. It was disappointing that he was not able to implement all the various programs, events and fundraisers that he along with the directors had planned, but I'm sure he'll be back pumped and more enthusiastic in this Rotary Year.

2019-20 Club Service Report

Club Service had an interesting year & in particular, I would like to thank members Ian Stapleton, Peter Stacey, Cliff Leckning, David Morgan & Robert Maitz for helping Club Service run so smoothly. We had a couple of strategy meetings to plan speakers & activities throughout the year & in a broader sense, look at managing the handover of the Club history from Bill Blythe to Peter Stacey. Due to the arrival of COVID-19 this plan has been deferred to the new Rotary year but it needs to happen & will be in safe hands with Peter at the helm.

Particular thanks must go to Robert Maitz who took on modernizing & producing the weekly Bulletin this year & without a doubt his efforts were extremely successful &

greatly appreciated by all.

The weekly grind of finding speakers was shared between the group so thank you to all. We alleviated the pressure a bit by penciling in a few more Club Assemblies this year as well as some 'fellowship' events to replace

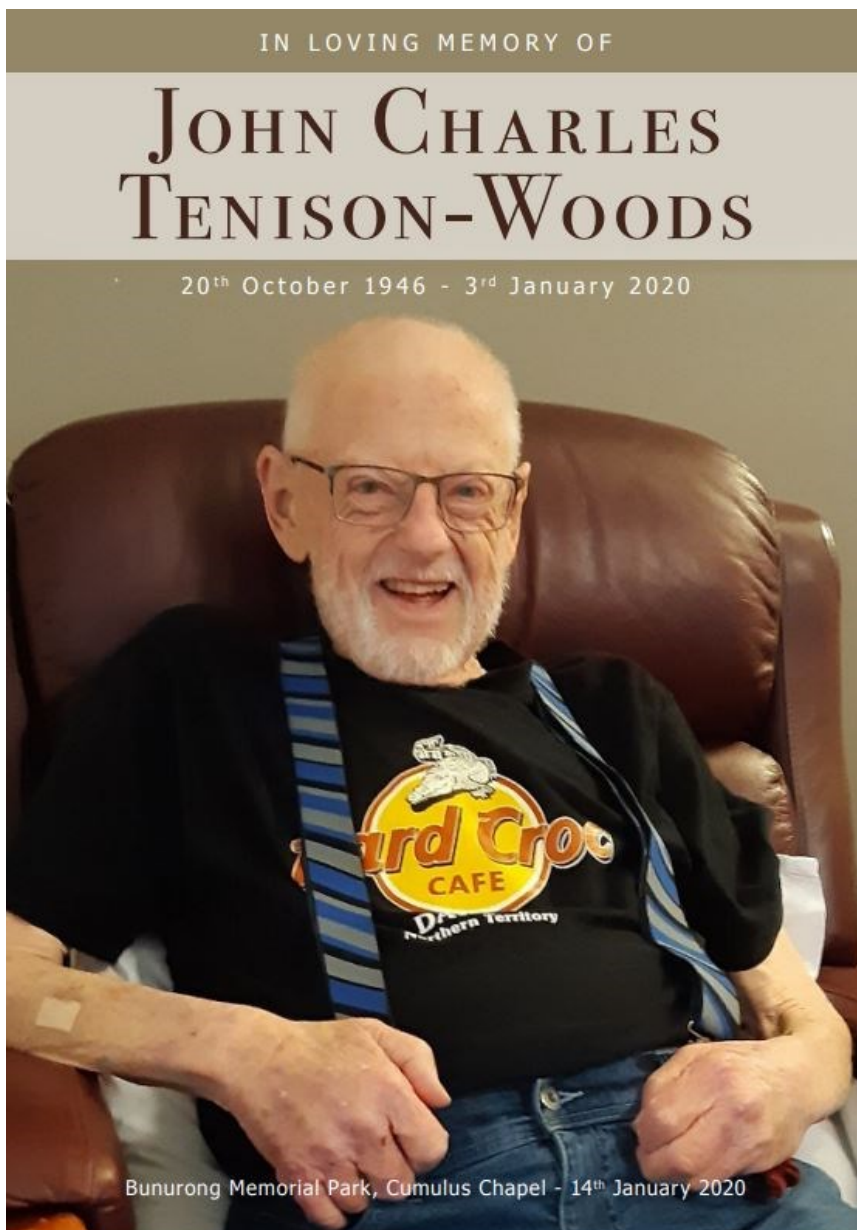

meetings. Fellowship was predominantly managed by David Morgan whose enthusiasm is a big factor in gathering numbers for each event, all of which went very well.

Obviously the restrictions of COVID-19 severely curtailed meetings & club activities & we are still uncertain when things will return to 'normal'. Zoom meetings every Wednesday morning organised by President Peter were there for those who wished to engage but from a personal point of view I very much look forward to resuming real meetings, in a real room with real atmosphere.

Finally, a huge congratulations from Club Service to President Peter Cracknell who steered the Club through a lot of change & then COVID-19. "Cometh the time, cometh the man". Well done Pete.

Mark Rees, Club Service Director

John Tenison-Woods was a member of the Rotary Club of Frankston Sunrise since 2010.

John, or Hyphen as he is known around Frankston Sunrise was a much loved and engaged member and just as importantly, a friend to all of us.

A volunteer for everything. Always committed to helping whether it was working bees, golf days, fundraising events, Bunnings BBQ's, building projects, John has always been a great contributor to the success of our club. Even as his health deteriorated in recent years, John was always one of the first to volunteer.

A lasting memory for many of us will be having John and Glenys join us in December at a farewell function for Dr Laurie, one of our original Charter Members who has retired to his farm in Foster. Seeing John that night at the Canadian Bay Hotel, the smile never left his face. The only time the smile left Glenys' face was when she saw how many glasses of champagne he was knocking back! Hyphen was happy to be home amongst his Sunrise family and that was exactly the way we all felt too.

With John's passing, there is a hole in the membership of Frankston Sunrise. He will continue to be in our thoughts and hearts into the future.

Glenys and James, our love and thoughts are with you both.

Vale Hyphen

2019-2020 Membership Report

Firstly, I would like to congratulate President Peter on his year as President.

His dedication to the position, has been something special. He has had his finger on the pulse of every area of club activities, his attention to detail, his leadership, his positivity, and encouragement have been outstanding. Even under the particularly unusual circumstances we have had due to Covid-19, with activities curtailed as they were, Peter was always on it. Well done Peter.

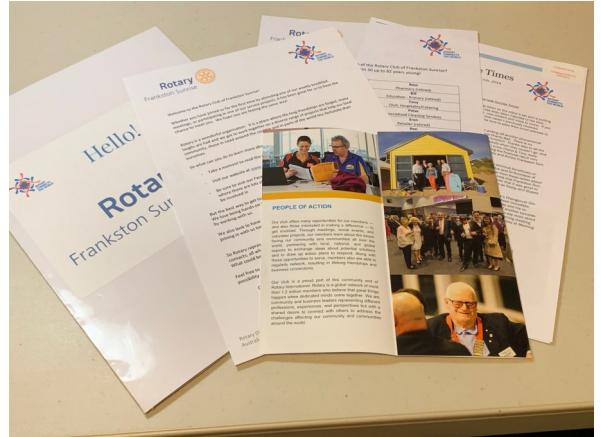

Sadly we lost three members this year, but on a very positive note we gained three extremely keen new younger members.

Sadly we lost John Tennison-Woods, due to his passing, We miss you Hyphen and all members send their best wishes to Glenys.

Long standing member Bob Barr retired from the Club. Bob has been a strong stalwart of the club over the years and his contribution has been greatly appreciated. We wish you well Bob.

And of course, the irrepressible and irreplaceable Dr Laurie Warfe OAM. His input to the club will be sadly missed. We look forward to seeing him occasionally. Good luck Farmers Laurie and Jill.

We have also been able to welcome three extremely active younger members.

Robert Maitz, how lucky are we to have gained such a dedicated man as Robert, his input in his first year has been remarkable. Robert is of course the grandson of charter member Noel Bowman and after making a significant contribution to Peninsula Rotaract, Robert has become a very important member of the Sunrise team.

Warwick Smith, has immersed himself in any activities we had going before the lockdown. Warwick has many passions and existing involvement in working towards meeting the needs of the local community. He will not only be a valuable contributor to Sunrise, but also provides an excellent example of community support and volunteerism.

Sherif Balic, is an extremely motivated new member, who with Covid-19 hasn't really had the opportunity to get involved in too much just yet. But clearly, we already recognise Sherif as an excellent addition to Sunrise and we look forward to a long future with him.

During the year, President-elect Shane and I attended a District Membership Seminar, which covered a wide area of membership, including keeping existing and new members interested, different approaches to meetings, and prospecting for new members. These, together with many other alternative initiatives could give excellent new opportunities for us when the Covid-19 restrictions are lifted. We are all looking forward to getting together for some long awaited fellowship.

Bob Smith, Membership Director

2019-20 International-Vocational-Youth Report

Dr Laurie Warfe resigned as Director of the IVY group in November 2019 to pursue a new life as a GP and farmer in the metropolis of Meeniyan, Gippsland. I replaced Laurie as director at that time.

INTERACT:

Our planned launch in joint-venture with Peninsula Rotaract was due to launch in March 2020, but like so much had to be put on hold due to Covid-19 and the closing of school campuses. Peter Cracknell and Rob Cooke (Rotaract) together with Frankston High School and a number of very enthusiastic pupils were organized to initiate the new club when social-distancing curtailed their activities. We should now see this occurring in later in 2020.

RYPEN:

Cancelled (Covid-19) ...Hopefully it will return in 2021.

RYLA:

Maggie Chapman (Peninsula Rotaract) was sponsored by Sunrise (as a leader/coordinator) to the (new format) 6-day course in December 2019. The event was a huge success and we had the privilege of Maggie visiting Sunrise to give an entertaining insight into the weeklong activities.

MUNA:

Cancelled (Covid-19) ...Usually held in May ...

NYSF:

Our sponsored student, Benjamin Fiala, attended the Forum in January 2020.

In April 2020, year 11 student Charlotte Thompson from Frankston High School was chosen to represent Sunrise in the interview section for a position at the 2021 NYSF. Hopefully, Charlotte will be successful and be offered a place to attend the stimulating program that is being offered to these aspiring young people in January 2021.

At a later date, students can make an application to attend the LIYSF (London International Youth Science Forum)

DISASTER AID AUSTRALIA:

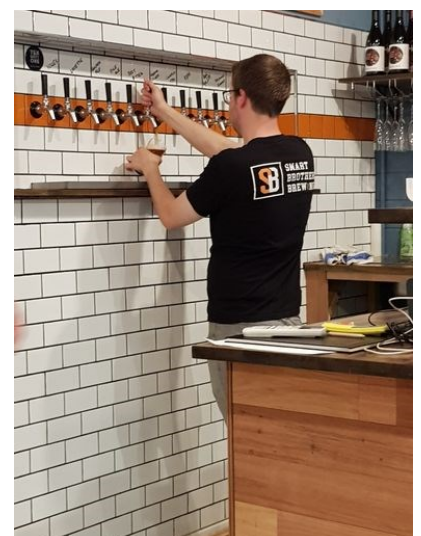

Wheel chairs, Sky hydrants and shelter boxes. Due to Covid-19 and the cancellation of our major fundraising activities, donations have been reduced or no donation has been possible in the current Rotary year.

CHRISTCHURCH SUNRISE:

Our sister club: We are exchanging bulletins but little else these days. Considering a visit to NZ for our 30th Sunrise anniversary, golf, skiing, good company and lots more...Maybe 2021?

VOCATIONAL:

On-site visits...always interesting...these activities have also been severely curtailed. We did manage to fit in an evening visit to a local Somerville brewery to taste local beer and pizza.

2019-20 Treasurer's Report

And what a year it's been...

Summary financial accounts for the period 1/6/2019—31/5/2020 appear on the following pages.

Balances of Accounts as at 31st May, 2020

General Account:	\$7,399.68
Community Service Account:	\$26,294.38
Frankston Sunrise Foundation Account:	\$70,897.69
Frankston Sunrise Foundation Trading Account:	\$22.94
Ghana Account:	\$37,218.60

Notes accompanying the Financial Statements:

Consulting and Accounting being \$3,944.20 as follows:

- Trust Compliance costs and audit costs going back to 2013 were \$2,640.00
(One time cost related to bringing Foundation obligations up to date)
- ACNC registration \$495.00
- XERO Accounting package 15 months \$750.00
- Consumer Affairs \$59.20

Frankston Sunrise Foundation—Donations made during the year:

- \$8,000.00 - The Rotary Club of Bairnsdale East Gippsland Bush Fire Relief Fund
- \$2,000.00—District 9820 Disaster Relief Fund

These donations fulfilled our Trust obligations to donate at least 8% of total funds held each year.

A big thankyou to the Sergeant whose fine sessions helped bolster the general account.

As per Board approval, \$10,000.00 in donations were made from the Community Service Account during June 2020, being \$2000.00 each to:

- | | |
|-------------------------------------|---------------------------------------|
| Community Support Frankston | Dogs For Kids With Disabilities |
| Blackwood Outdoor Specialist School | Focus Individualised Support Services |
| Interplast | |

I, like everyone else, am looking forward to resuming our “normal” morning meetings and the friendly banter that accompanies them. Thank you to all who have helped me throughout the year.

Greg Sharman, Treasurer
