I was born and raised in Nikko City and spent over 30 years working for the local government in Tochigi, where I was deeply involved in promoting regional industries, including tourism. I'm passionate about sharing the natural beauty, rich history and unique culture of Tochigi with visitors from around the world. I'd also be delighted to introduce you to some of the best local restaurants and recommend wonderful souvenirs. My areas of expertise include Nikko, Nasu, and Utsunomiya. I hold Level 2 certifications in both the Nikko and Nasu local tourism exams. My hobbies include exploring local food, especially in Nikko City. I look forward to showing you the best of Tochigi!
