

Wayfarer International Rally 2025 Rantzausminde 9 - 16 August

Moored between poles

Campsite

2022 Rally

The 2025 International Rally will run in conjunction with and directly after the International Championships at Skive, also in Denmark, see above. There is a tradition of choosing the same country to host the International Wayfarer Rally and the World Championships. The cruising event will be centred at the famous Danish Wayfarer sailing waters of Rantzausminde, some 200 km south of Skive, near the South Funen archipelago with a base camp at Rantzausminde Campsite (Rantzausmindevej 215, 5700 Svendborg), where we will have our own field.

There are many places to sail to, from small islands with few or no inhabitants, to larger islands with towns, shops and restaurants. Should the weather not be suitable for sailing, there are many opportunities for sightseeing on Funen.

The rally will be limited to 50 sailors, first come first served, whilst aiming for the largest possible international presence. It starts on Sunday 10 August at 9:00; in the evening there will be a welcome barbeque. The last full day is Friday 15 August, with a farewell dinner in the evening,

Registration: We are working towards an online registration function on our website and expect it to be ready in a couple of weeks.

For further information or request please send a mail to rally2025@wayfarer.dk, it goes to the organizers: Randi Berner and John Goltermann.

SWS is the Scandanavian Wayfarer Association.
