Dividend Announcement

On behalf of The Board of Trust Managers, I am proud to announce a quarterly dividend of \$0.135 per share for those shareholders owning Common and Series A Shares of CLI Capital as of the record date of March 14, 2025. The board has also declared and arranged for payment of dividends on Series B Preferred Shares of the company with the same record date in accordance with the recorded statement of designation.

The increase in the dividend this period is the result of an exceptionally profitable year. While sustaining a \$0.135 per quarter dividend on a consistent basis may not be feasible in the near term, the board and management remain committed to distributing earnings to shareholders as they are realized.

Dividends paid by ACH will be deposited on or before Tuesday, April 1, 2025.

Dividends paid by CHECK will be mailed on or before Tuesday, April 15, 2025.
