

# The 26th International Wayfarer Rally

## Port d'Arradon, Brittany. Aug 30th – Sep 6th 2021

### Venue:

Gilles Bruneau and Thierry Grenier have found 'the most beautiful and magical place in Brittany for next year's International Rally' (to quote Thierry).

Port d'Arradon, looking south to an idyllic area of islands and child friendly safe sailing.

Just one of the beaches on the many islands in the area.

### Sailing:

There are many interesting places to sail to within the well protected bay area, where the group can gather to spend the 'best convivial times around tables - meals - pubs and food'. (another Thierry quote)

### Accommodation:

Both camping/RUV pitches and cabins are available at the nearby Camping des Allées site, which includes an on-site swimming pool.

The campsite has an extensive range of facilities – see: ([www.camping-allee.com](http://www.camping-allee.com))

Well equipped cabins are available to rent for those who prefer this option.

For those with a more adventurous spirit, there is the possibility of an independent sea trip westwards to La Roche Bernard.

Boat launching and recovery is from a wide slipway, with a gently slope that gives easy access to the sailing area.

### Cost:

There will be a charge per person in the region of €65 to cover boat launching/recovery and overnight boat parking; a welcome drinks on first evening; and a now traditional group evening meal on the final day.

Other optional organised events, including Oyster and seafood tasting, will be charged for separately.

### Charges for the Camping des Allées site:

Cost of a tent or RUV pitch - around €130 for 2 persons  
Cost of 2 bedroom/4 person cabin - around €295 to €340  
Cost of 3 bedroom cabin - around €430

### Booking:

No-one can be sure of how the situation will be by next summer in these uncertain times, but assuming that life will be a little more normal by then, it will be necessary to make a booking before 1st April to secure a place on this opportunity to sail an area you will not experience anywhere in the UK.
