## Message

Long time ago, I stayed in London for work, which gave me a chance to look at things in Japan from a different angle. I still feel that these experiences give me an advantage to let the visitors from abroad enjoy their trip. Now I specialize in the Nasu area, which is located in the north east of Nikko and partly in the Nikko National park. It has everything, a good scenery, outdoor activities, Zen temples, and of course good foods.
